

BUHSD AI STOPLIGHT

Students should only use Generative AI to produce or edit their work with explicit permission from the teacher and must give credit to the AI tool for what it did.

Any submission of content coming from AI without proper permission and credit will be viewed as a violation of academic integrity

and will be handled per the district conduct policy.

The full transcript of student prompt history with AI should be saved and turned in upon request.

Red Light:

Collaboration with AI software is not permitted. *Use will be viewed as cheating.*

Yellow Light:

Generative AI can be used to assist creation of content as directed by the teacher. *Use of AI must be cited as you would any other source.*

Green Light:

Use Generative AI as a tutoring tool to enhance understanding of concepts. *AI use must be properly cited.*
